

Welcome to EU VCU experts' group at the TystofteFoundation

TystofteFoundation
14th of May 2024

TystofteFoundation and why

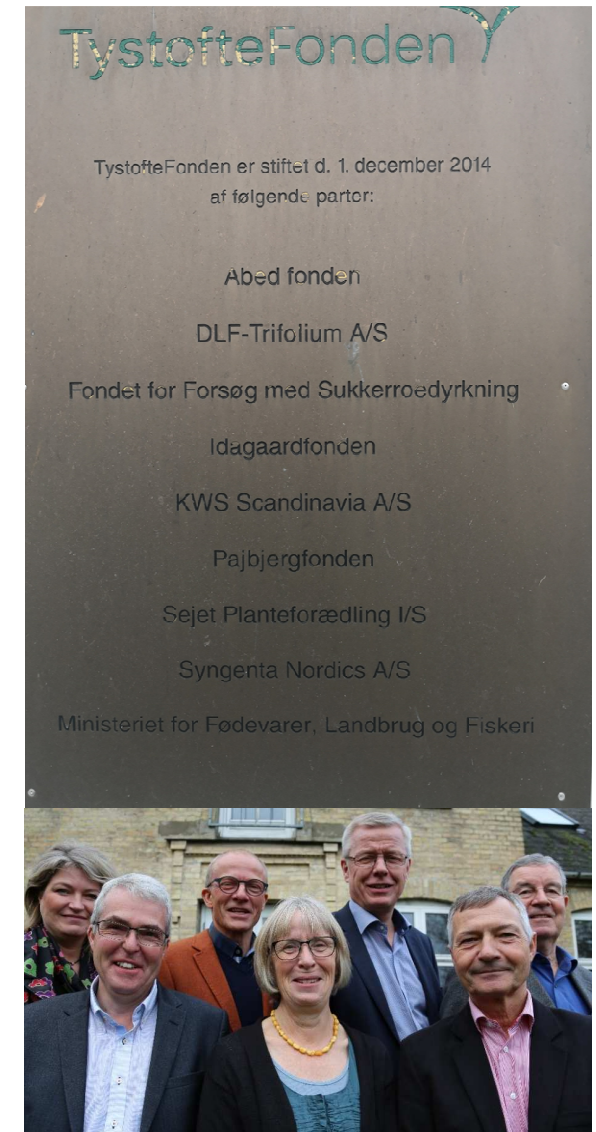

Summer 2013 – variety testing/control plots/technical testing of varieties and propagating material

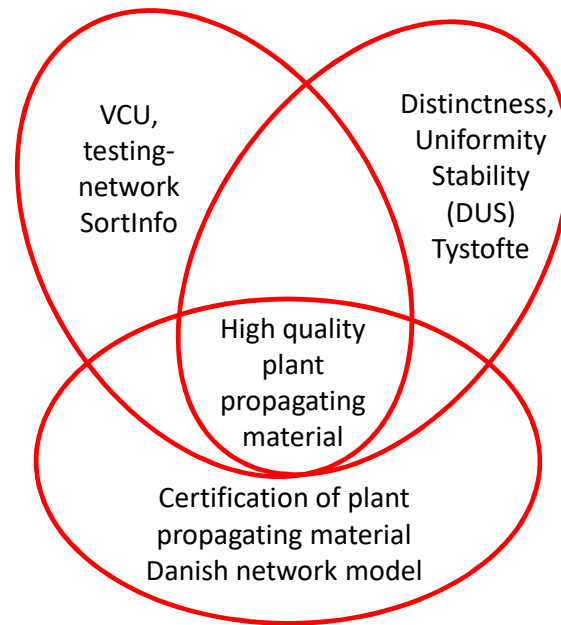

DK-AA-conclusion: "Not a core governmental competence"

– "rearrange" the technical testing

- Spring 2014 a series of meetings with the Danish seed industry
 - April 2014: "Tystofte – even with an improved economy is not an option"
- Summer 2014 – idea of foundation matures

- TystofteFoundation is established on 1st of December 2014 as an "empty" company
- Board consisting of representatives from relevant organisations
- 1-7-2015 TF takes over the technical tests and employees from the DK-AA
- Oct-2016 – DK general translocation of governmental employees – seed certification (4 persons) cph -> Augustenborg
- 1-1-2017 seed certification moves to Tystofte
- 1-7-2020 – Danish legislation
 - PNB decision authority
 - Delegation
 - Appointment

Plus Plant Breeders' Rights (PBR)
=> Concept of European seed legislation

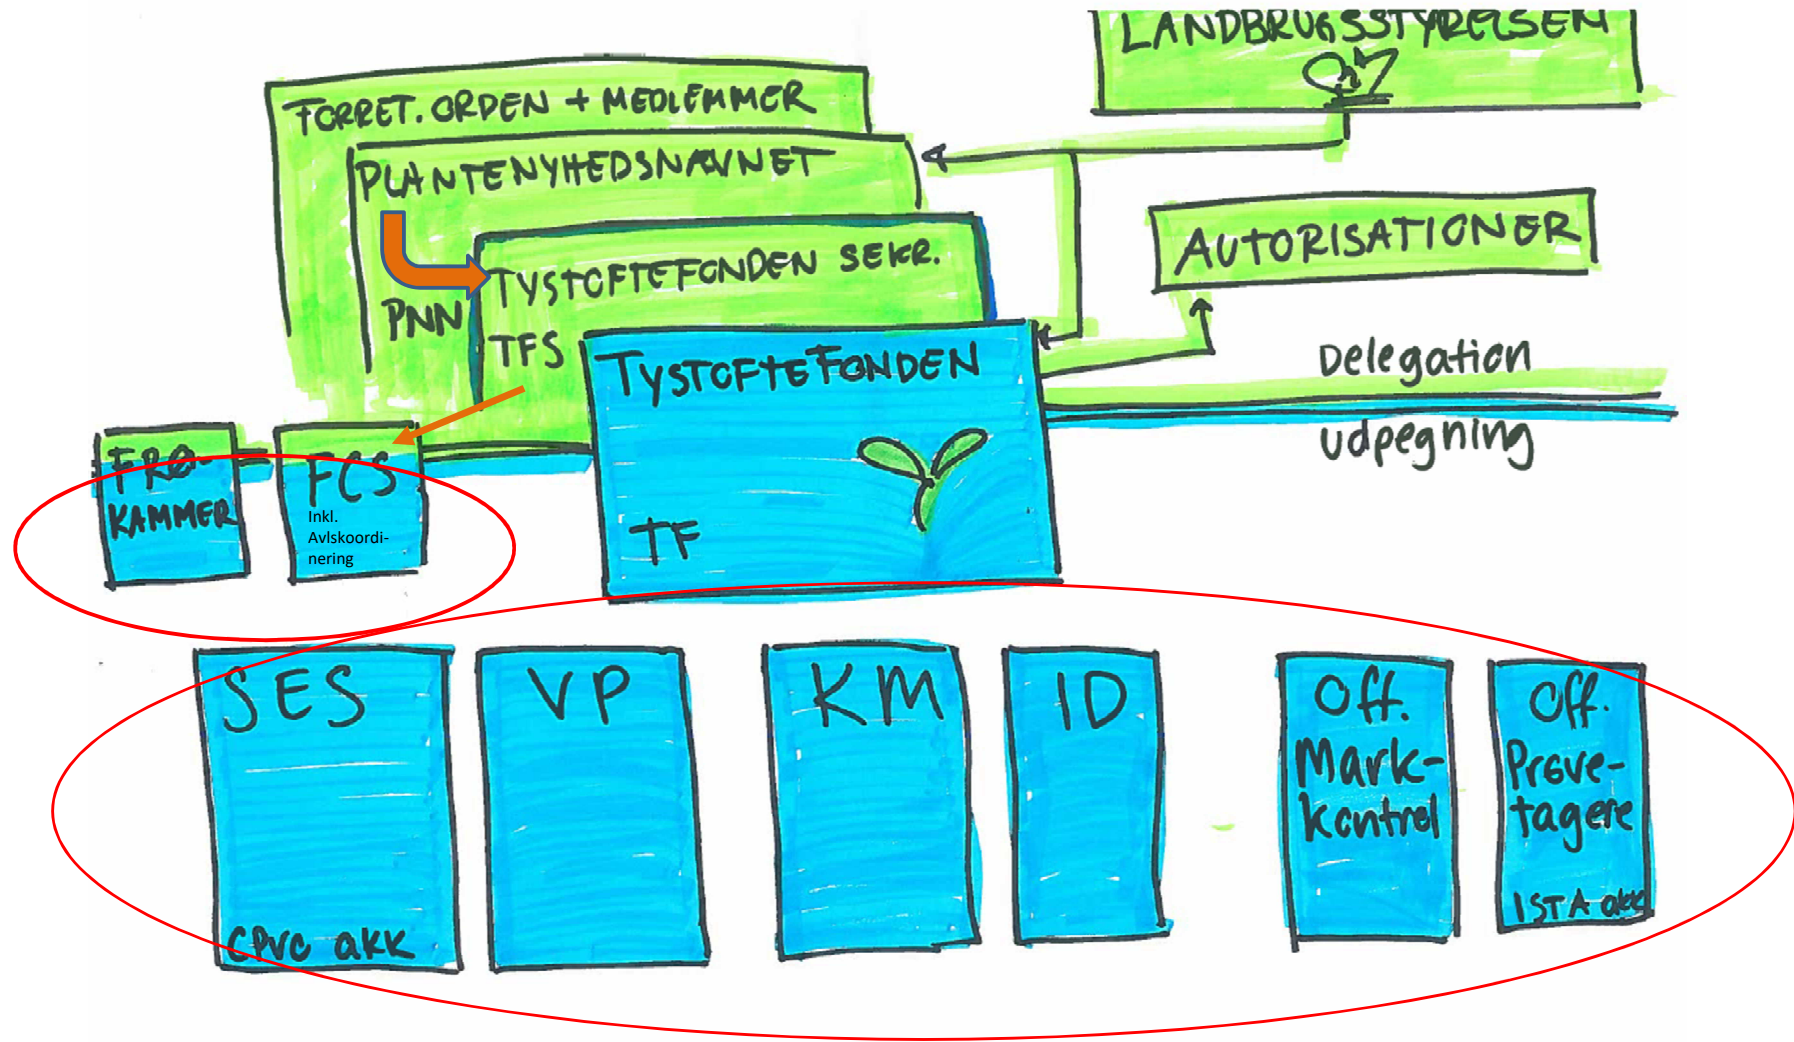

Danish National List
PBR (DK/EU)
EU Common Catalogue
